

NZ THAILAND

NAME OF INTEGRATION:

NZ THAILAND

Category:

Security and Solution Management

Description:

The title “NZ THAILAND” is called the special group of Defense which was established by Master Abdul Wangnurak, who has dedicated his life to Martial art over for 30 years. We offer the class program as follow.

Training course:

- Self-defense
- Weapon and Tactical
- Security System

All of program is called “Security System” Since widely used Defense techniques were taught incorrectly, in most cases can’t be used in reality or social danger.

Master Abdul Wangnurak affectionately need to introduce the efficient techniques to those interested. To do so, Master Abdul Wangnurak invented 16 courses base on criminal and victims of each situation.

We provide:

(This program is best for corporation/ Government sector / Individual)

- Monthly training session:

- self-defense: The defense of individual through his own physical force
- weapon & tactics: The defense by using weapon with tactics

- Event and Exhibition:

- To introduce several solutions regarding technology and individual.

- Security Technology Training:

- Workshop for B2C (Business to customer) which focuses on technology.

- Security System Design:

- Design a security system to meet our customer's optimization.
